## ①

1.  Switch on your computer.
2.  Type in your login and password.
3.  Launch the Internet browser.
4.  Go to the following URL : <http://www.ur.se/sprk/engelska/inredning/>
5.  Wait for the game to load.
6.  Once the game loaded, click on "Practice first". You have about ten minutes to practice and to learn the vocabulary.
7.  Then click on "Play the game".
8.  Once finished, call the teacher to check your total time.

## ②

9.  Then go back to practice mode and imagine the room you like.
10.  Once finished, press "Print Screen" or "Impr. Ecr." on your keyboard.
11.  Paste the picture into Photofiltre (or any other image editing software). Select the picture of your room only, copy, paste into a new picture and save it to your personal folder.
12.  Launch Libre Office – Writer (or any other word processor), insert the picture of your room, write your name on the document, and describe the room. Once finished, print out your document and hand it to the teacher.
